### PROFILE

I'm an aspiring artist and designer who has a passion for Interior and architecture Design. My interest and enthusiasm for Interior Design and Architecture began at an early age where my creative skills and love of decorating were first initiated. Today, my passion for the subject continues to grow as I learn and experiment with different textures and materials, drawing influence from blogs and magazines such as Style at Home and Design Milk, that have inspired my own blog and Instagram, developing my visual skills and my willingness to learn.

Studiosity on behalf of Sheffield Hallam University

Remote

My current role as an independent contractor for Studiosity involves me providing 1 to 1 academic support to first-year students by using a text based and voice chat enabled classroom using a "help, not answers" approach.

Peacocks Sales Assistant - September 2015 to October 2020

Peacock LTD - [www.peacocks.co.uk](http://www.peacocks.co.uk)

Sheffield

Part time work at Peacocks Ltd has been a beneficial experience. As part of the sales team for over 5 years, my role involved me using my interpersonal skills and initiative to complete my duties of assisting customers, operating the checkout and completing stock checks etc. Responsibilities included: Putting out stock, Customer Service, Collecting Emails and Add ons, Managing the fitting room, Housekeeping Skills, Operating the checkout and Purchasing Supplies for the business during working hours.

June Fletcher's Dance Academy Volunteering- March 2016 to April 2016

June Fletcher's Dance Academy

Sheffield

I have volunteered as a dance teacher for 6 weeks, for 3 hours once a week at my dance school where I built on my communication skills with all ages. Supporting young children in acro, ballet and tap.

Henry Boots Construction LTD - 8th July 2013- 20th July 2013

Henry Boots Construction

Dronfield

Within the field, I've done 2 weeks work experience with Henry Boots Construction Ltd in their Estimating, Tropic, Purchasing and Quantity Surveyor departments. In my role as training technician I was responsible for placing orders, which advanced my IT and problem solving skills and confidence, due to the huge responsibility.

### ACHIEVEMENTS

A Personal Interest of mine has been Dance. Being part of a dance school for over 13 years, I have not only formed strong relationships with fellow dancers but have taken examinations and annual dance shows in Jazz, Freestyle, Ballet, Tap and Acro, where I have accumulated over 50 medals and 12 trophies and won most improved senior dancer in 2014.

Other smaller Interests of include reading, Swimming, where I have reached level 10 before competition level, Cooking, and craft making
